Regie: [Joscha Bongard](#)

PL: [Anna Tzellou](#)

Unterstützung MFG: 200.000 €

Pitch: Luca (16) is an influencer. Since birth, she has been the star of her parents' family social media business and their greatest pride. When this changes, she tries to fight her way free from heteronomy and venality. Spoiler: Not so easy in our capitalist world, where attention is the main currency.
